

ICSMA 20

The 20th International Conference on Strength of Materials

Best Poster Presentation Award

is presented to

Kosho Horiguchi

“Studies on tensile deformation behavior of extruded Mg97Y2Zn1 alloys by in-situ neutron diffraction and acoustic emission measurement”

Poster No. 49

at the 20th International Conference on Strength of Materials (ICSMA20)
held in Kyoto International Conference Center, Kyoto, Japan, from June 2 to 6, 2025.

June 5, 2025

DATE

A handwritten signature in black ink, likely of Prof. Nobuhiro Tsuji.

Prof. Nobuhiro Tsuji
ICSMA 20 Chair
Kyoto University
