

## The 6th KU-KITECH International Symposium on Bulk Metallic Glasses and Advanced Materials

September 14-15, 2010 Kumamoto University, Kumamoto Japan

<http://www.msre.kumamoto-u.ac.jp/~KU-KITECH/>

Chair person: Y. Kawamura

### Greeting to 6<sup>th</sup> KU-KITECH Participants

The 6th KU-KITECH International Symposium on Bulk Metallic Glasses and Advanced Materials will be held at 100th Anniversary Memorial Hall, Kumamoto University, Kumamoto, Japan from September 14<sup>th</sup> to 15<sup>th</sup>, 2010.

We would invite all participants to exchange new research achievements within bulk metallic glasses and advanced materials such as magnesium alloys, as well as to seek to establish international cooperation. We hope that this symposium will provide a valuable forum to highlight current and future multidisciplinary research and application of Bulk Metallic Glasses and Advanced Materials.

We would like to welcome all of you as distinguished guests of this special event. We look forward to meeting you at the symposium in Kumamoto.

### Presentation

The official language of the symposium is English. Oral presentations are limited to invited speakers only. General participants are invited to make a poster presentation. The committee will select best posters (only for students) and award the winners with certificates and a small gift.

### Submission of poster session

The abstract book will be published. You need prepare abstract in accordance with the required format (Please access to the conference web page). The all abstracts should be submitted to the secretariat via submission page of abstract **before August 20**.

### Registration

Registration is required for the participants **before August 20**. Web Registration is available.

	Regular	Student
Oversea	35,000 Yen	30,000 Yen
Domestic	15,000 Yen	10,000 Yen

Registration fee includes admission to all technical sessions, an abstract book, coffee breaks, lunches, banquet, and a conference package. Accommodation fee is included only in the overseas registration fees (Regular and Student). It should be paid in cash (Japanese Yen only) at the registration desk before the symposium starts.

### Secretariat

Ms. Tomoko Matsumoto
